

A special story about going back to school.

To stop people from sharing their germs and getting sick, my school was closed. I had to stay at home and stay safe.

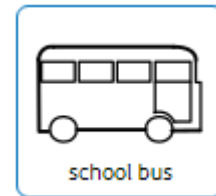

When I come back to school, some things will be different.

Now, school is open again and it is safe for me to go back to school.

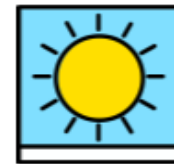

The way I travel to school.

I will play outside in one of these playgrounds.

I will stay at school all day.

Assemblies will be different. I might take part in assembly in my classroom.

I will wash my hands a lot during the day.

I will eat my dinner in my classroom. Year 6 will eat in the dining hall only. This is ok.

When it is home time, I will wash my hands, then go outside to catch the bus home again.
