

Pupil Premium 2017-2018

The pupil premium for the financial year 2017-2018 was: £65,158

In 2017-2018 Stephen Hawking School used the pupil premium to:

- Providing staff to support children in the classroom
- Supporting children with sensory integration needs via groups and one to one sessions
- Support children with sensory integration needs via activities such as horse riding
- Supporting children with profound learning difficulties and Cortical Visual Impairment
- Supporting children with severe learning difficulties who are moving to mainstream schools
- Supporting children with severe learning difficulties with small group work e.g. phonics sessions

The data below is taken from CASPA and demonstrates the percentages who have achieved expected or above expected progress for pupils entitled to pupil premium.

- Overall attainment – just over three quarters of pupils entitled to the pupil premium attained progress in line with, or better than, expectations
- Language and literacy – 75% of pupils entitled to the pupil premium attained progress in line with, or better than, expectations
- Maths – 78% of pupils entitled to the pupil premium attained progress in line with, or better than, expected
