Relationships and Sex Education and Health Policy

Dear Parents and Carers,

The government has recently made some changes to the requirements for relationships and sex education (RSE) and health education in primary schools.

We have been working with staff and Governors to make sure that our updated policy and curriculum meets the new requirements as well as the needs of our pupils.

We have worked hard to make sure that our new curriculum reflects:

- Our pupils' age and maturity levels, as well as their cultural and religious backgrounds
- The values of our school community
- Every pupil's learning needs
- What pupils need to know to be healthy and safe in their personal relationships and as they grow in independence

We have now updated our RSE policy and we would welcome comments from parents and carers.

You can access the policy on the school website in Policies under the Curriculum. If you would like a printed copy of the policy, please contact the school on admin@stephenhawking.towerhamlets.sch.uk and we will arrange for this to be provided to you.

You can submit feedback by emailing the Executive Head Teacher, Jennie Bird, at admin@stephenhawking.towerhamlets.sch.uk. The deadline for responding is Wednesday 24th March.

Thank you for your continued support of the school. We look forward to hearing from you.

Yours faithfully,
