At Stephen Hawking School, we believe that every child deserves a vibrant, inclusive, and deeply supportive environment where they can truly thrive. We are a passionate, warm, and dedicated team, and we are looking for an equally wonderful Teaching Assistant to join our school family.

If you have a big heart, a wealth of patience, and a genuine commitment to championing the educational rights of children with severe and profound learning difficulties, you will find an incredibly rewarding home here. As outlined in our **JD** this role is all about bringing learning to life, celebrating every victory (no matter how small), and helping our amazing pupils find their voice and independence.

The post holder will be required to work in any key stage at either of the Stephen Hawking school sites.

*Stephen Hawking School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Appointments are subject to an enhanced DBS check, satisfactory references, and medical clearance. We are dedicated to equality and valuing diversity.*
